

ROSY MARY JANES

US BABY SHOES SIZE: 1-5

The *Rosy Baby Shoes* prides itself with the cute pleats on the front of the shoes. With the addition of the elastic straps, it becomes easy for the baby to put on and off. The shoes can be beautifully decorated with ruffle panels made out of fabric or you can simply purchase a lace for an equally amazing result. The shoes are recommended for any intermediate sewers up for a fun project! Make the *Rosy Baby Shoes* now!

MATERIAL LIST

FABRIC

44" wide quilting weight cotton or linen cotton or home deco

(1/4) yard for exterior fabric

(1/4) yard for lining

INTERFACING

44" wide medium weight fusible fleece

(1/4) Yard

OTHERS

(1/2) Yard of elastic band

(1) Spool of coordinating thread

TOOL

Ruler, Scissors, Chalk pencil, Pencil, Sewing machine, Pins, Needle, Shape tool

* Seam allowance 1/4" unless otherwise specified.

* All units are in inches.

NOTE:

*Non-skid soles and other non-skid materials are recommended for the exterior sole piece

**CAUTION: Small children may choke on beads, buttons, and other small pieces if they come loose

** There are two options in cutting the interfacing, with or without the seam allowance. Cutting the interfacing without any seam allowance will give it a better overall shape; if you would like to do this, use the original pattern (gray dotted line) to cut out the interfacing.*

Only if you follow these conditions will I allow you to sell the finished products. *Give full credit to ithinksew.com for the patterns (this applies online and offline) For example, when you're selling one of my products online include a sentence like this: "This pattern was designed by ithinksew.com". A link to my shop would also be really appreciated. When selling the products offline, write this on the tag. * The finished products may only be made by crafters. It may not be mass produced. * The conditions above may change.

CUTTING

Draw the patterns directly onto the wrong side of a single layer of fabric. Because there is a right and left shoe you will need to reverse the sole and side upper pattern when tracing.

Make sure the right and left pieces are separated to avoid confusion when attaching the soles.

Cut out the exterior, lining, and interfacing, and fuse the interfacing on the wrong side of the lining pieces following the manufacturer's guide.

EXTERIOR

(2) Front Upper Pieces

(4) Side Upper Pieces

(2) Sole Pieces

(2) Top Ruffle Pieces

(2) Middle Ruffle Pieces

(2) Bottom Ruffle Pieces
