

JAMIE PHONE & WALLET POUCH

FINISHED SIZE: 5" WIDTH X 7½" HEIGHT

The Jamie Phone and Wallet Pouch was designed for those who don't like to use the heavy weighted bags! It can be held as a clutch, used as a pouch, or even as a personal wallet! Because the zipper is installed into an "L" shape it makes it easier to put in and take out items easily. The instruction on making the leather strap is also added durability. Attaching key holders on the pouch can make the bag even handier for everyday uses!
